Safeco New Quality-Plus™

A high-quality policy that offers an ideal balance of coverage and value.

Safeco Premier™

Our most comprehensive coverage level, which bundles key optional coverages with the highest available limits into one policy at a discounted price.

Additional coverages and benefits.

Valuable Articles Coverage

If you own high-value items such as jewelry, art, collectibles, or camera equipment, you should consider adding extra coverage to your policy. For as little as a few dollars a month, items are protected for a fraction of what it would cost to replace them.

Identity Recovery Coverage

Recovering from identity theft can be a very costly, time-consuming, and stressful experience. With Safeco's identity recovery coverage, you can replace that worry with calm for just \$1 a month.

Equipment Breakdown Coverage¹

For just \$2 a month, equipment breakdown coverage is a cost-effective way to keep critical household equipment up and running after mechanical or electrical breakdowns, which are often not covered under a standard home policy.

Service Line Coverage

The underground utility lines that bring water, power, and communications to your home are critical—but also prone to failure as they age. This coverage protects against common causes of service line failure such as wear and tear; rust and corrosion; and tree or other root invasion.
